EXPLANATION OF REQUEST FOR SPECIAL EXCEPTION

In the spaces below, explain why placing the noise generating equipment in the proposed location would have less noise impact on neighboring properties than would placing it in accordance with Sections 12.14.1, 12.14.2 and 12.14.3. The explanation should include, at a minimum, a description of the proposed location and the special circumstances that make the special exception necessary. Attach additional sheets, if needed. **The applicant has the burden of proving to the board that the requested special exception is justified.**

ADDITIONAL REQUIREMENTS

The applicant must submit:

1. One original and eight copies of a class "A-2" survey indicating all existing and proposed structures, septic systems, wells and water sources, easements, rights of way and legal restrictions, as well as all measurements and distances, needed to show the extent and nature of the requested special exception.
2. **Building plans** giving clear and complete details of the case, including description of equipment to be installed, i.e., kilowatts produced by generator; footprint dimensions; how equipment is to be powered, sound proofing measures if applicable.
3. **Filing fee** of \$150 and \$30 in separate checks, payable to the Town of Washington.
4. **Required by hearing date:** Evidence of certified mail notification of the date, time and location of the hearing and the nature of the requested special exception to the owners of all property located within 200 feet of the property involved in this application.

CERTIFICATION

I hereby certify that the information I have provided in this application, including any attached sheets, is true, and I acknowledge that any false information may cause the denial or revocation of a Special Exception.
