The Selection Committee, made up of three Parks and Rec members – Ray Reich, Joe Fredlund, Whitney Ryan, one Buildings & Property Commission member – Nick Solley and one Selectman – to be determined, will meet on Thursday, November 17, 2011 at 6:00 p.m. to review the applications. *** River Walk Park:**

Lisa Easter reported that the bathrooms would be closed for the season on November 16th. There was discussion about delaying getting the clay for the playing fields until spring – some that had been washed away in Hurricane Irene has been recovered but more will be needed. C.J. Kersten will follow up with Gary Alex on this. Gary suggested the floors in the men's and ladies rooms and kitchen be painted prior to next season. He recommended a product called "Sun Deck" that should hold up to the wear and tear. All State Fire Systems has inspected the exhaust system; the walking path has been repaired although more stone will need to be added in the spring. Lisa will check with United Alarm System regarding checking the system and battery back up. Baseball and soccer seasons are over.

*** Holiday In the Depot:**

December 9th! Gunnery singers are lined up and Lisa will confirm with Gunnery just where they will be performing – strolling the Depot, in the horse drawn wagons? Rumsey singers will perform on the steps of the Town Hall and welcome Santa Claus. Lisa has met with Valerie Sedelnick of Washington

Supply and Mary Acton. Plans are being made to get more people into the local businesses – perhaps conducting raffles, etc. The Knights of Columbus will be selling raffle tickets at the Town Hall; the Washington Garden Club will have a table selling craft items; the Girl Scouts will be selling hot dogs and chili at the Senior Center and the Ladies Auxiliary will be selling cookies. Lisa Easter has contacted the Shepaug Drama Department regarding helping with a new set for “Santa” and elves – this may not happen this year – play this weekend, etc. The horse drawn wagons are reserved. Lisa had a sample of white lights for the tree in front of Town Hall – all Commissioners were in favor of them. Lisa will contact the Fire Department regarding help in stringing them. Lisa also reported she had spoken with Bill Pollock re: trimming the Town Hall tree – unfortunately due to the Storm Alfred his schedule has been too busy. He has agreed to do it prior to next year’s Holiday Season. The Washington Volunteer Fire Department Ladies Auxiliary will be asked to light the tree. Parks and Rec Commissioners will be available to distribute light necklaces, pencils, help with “traffic control”, etc.
