

YOUR NAME AND ADDRESS

MAILING DATE

Dear Neighbor,

With the passage of the Scenic Road ordinance, we have the opportunity to have our Road designated, by the Planning Commission, as a Scenic Road if owners of 51% of the frontage agree to such a designation.

We qualify for this designation because we live on a Road that meets #? of the six State mandated criteria even though only one criterion is necessary.

To support this endeavor all that it takes is filling out the enclosed form and returning it to me in the enclosed stamped envelope before date?

Once I have received approval from owners representing 51% or more of the road frontage I will prepare and forward to the Planning Commission our application for Scenic Road designation. After the application is accepted, a Public hearing will be scheduled and notice will be placed in "Voices" or the "Waterbury Republican". You will also receive a copy of the announcement by certified mail to comply with State statute.

In support of this application I will represent the residents of our Road at this meeting and welcome anyone who can attend to join me.

I feel extremely confident that we can succeed in obtaining Scenic Road designation and thus preserve the natural setting and beauty in perpetuity.

I will be happy to discuss any part of this application, its value and ramifications with you, your phone#, and eagerly look forward to your participation.

Sincerely,

Enclosed:

1. Copy of Scenic Road Ordinance
2. Fact Sheet
3. Statement of Approval for your signature
4. Return stamped self addressed envelope
