Special Meeting

Sub Committee on Lake Waramaug Guidelines

Members in Attendance:

Charles LaMunier, Anthony Martino, Stephen Wadelton

The meeting commenced at 6:00 PM in the Land Use Meeting Room,

The members reviewed the Inland Wetlands and Zoning regulations which applied to the shore and regulated areas on Lake Waramaug.

Each member presented their initial drafts of suggested changes, modification, and changes to the existing Inland Wetlands regulations. These drafts were discussed, and it was agreed that Mr. LaMunier would consolidate the ideas into a single document for further discussion at the next regular meeting.

There was additional discussion concerning the storage of hazardous materials on the immediate shoreline and over the water in boat houses and storage boxes on docks. Mr. Wadelton will investigate any DEP regulations and report back to the members.

The next meeting of the sub committee will be Thursday, Sept. 16, 2010, at 6:00 PM in the Land Use meeting room, Town Hall.

The meeting was adjourned at 7:45 PM

Respectfully submitted by:

Stephen L. Wadelton
