Dear Friends and Neighbors:

We are reaching out to give you the latest updates on the availability of the COVID-19 vaccine. If you are sixty-five and older and have not been able to get an appointment, please call 860-868-0735 between the hours of 9:00 and 4:00 Monday through Thursday and 9:00 to 12:00 Friday. We will ask for your name, a contact phone number and your age.

One of our volunteers will reach out with a phone call and assist you in getting a confirmed appointment.

If you should reach the answering machine at the Senior Center, please leave your name and telephone number, and you will be contacted by one of our volunteers.

Again, if you are over the age of sixty-five and need assistance with getting the COVID-19 vaccine, please call 860-868-0735. We will continue to provide updates on locations and availability.

Thank you all for your continued patience and stay safe.
