

PLANTING PLAN FOR 23 LOOMAWICK ROAD

3 Dogwood Cherokee Princess Trees White 7-8'
31 Hydrangea Nikko/Annabelle 5 gal
18 Miscanthus Morning Light Grass 2 gal
8 Viburnum (Arrow wood) 4'

12 flats of Vinca Groundcover

24 pints of Bunchberry-based on availability - (marsh marigold may need to be added or substituted based on availability of bunchberry)

On May 5th, Commission on site visit mentioned plant material may be needed after rocks are installed on the water's edge - if warranted suggestion Iris versicolor (12)

MAINTENANCE PLAN:

Property will be planted and then watered 2/3 times a week dependent on weather for 1 month and then watered as needed. The property will be overseen and maintained as needed every two weeks during growing season and one a month in off seasons for at least a period of a year. Installation/Maintenance by MandZ Gardening.
