Subject: Special permit for Wykeham Rise Inn

Dear Ms. Rill,

I am deeply concerned that the zoning commission will issue a special permit for the Inn before all conditions are met. For countless reasons, I am one of the residents in the area (my husband and I live on River Road near Steep Rock) who finds the creation of this Inn a mistake for the community. Due to it's vast size, the fact that it is in a residential area that does not permit such an establishment, and that it does not serve the more pressing needs of the community, ie. affordable housing, I would urge you not to allow it to move forward until all conditions are met. I know you can't revoke your permit from 2013 which in and of itself was a huge travesty, but at least then you can stand and be counted by not letting it go through unless and until the stated conditions are fully met. It's very small comfort to those of us who are outraged by this project, but it's an important stand that I urge you to take.

Regards,

Nicole Alger
