To whom it may concern:

I am writing in support of the Zoning Commission permitting Rika Keck to maintain her business at her property on Winston Drive. Her work doing pilates and personal training has no negative effect on the neighborhood.

I have personally witnessed her quiet training methods in her beautiful space when she was in need of some practice working for her license. Rika is a responsible community member and her work qualifies as a home business.

I would hope that the Zoning Commission and the Land Use Office grant her the permits she needs to continue her business.

Sincerely,

Judie Gorra
