Re: Support for the Conservation Commission's proposed amendments to the Zoning Regulations (14.3; 14.7.13; 21.1.65)

I have read the Conservation Commission's Proposed Language for the amendments to the Zoning Regulations (14.2; 14.7.13; 21.1.65) and fully support them, in an effort to save our town's valuable asset: trees.

*I continue to be upset about what happened in January 2021 at the Washington Cemetery Assn. - 120 were cut down !!*
