  TO: Jim Brinton, First Selectman  
  FROM: Sheila M. Anson, Town Clerk  
  DATE: October 29, 2020  
  Jim –

  First of all, thank you for your leadership in 2020 and setting the tone for the Town of Washington to be patient, kind, and strong during these unusual times.

  The purpose of the message is to recognize some people who have been working very hard on the 2020 State Election. Millie Johnson, Assistant Town Clerk, Denise Arturi and Lois Pinney, Registrars of Voters, and John Gueniat, Machine Tender, have devoted extra time and energy into making sure the election runs smoothly. We have also enlisted the help of a former elected official who is familiar with processing absentee ballots to proof and check lists. There have been other poll workers and volunteers who have spent time being trained under the guidance of the registrars.

  It’s been overwhelming at times but we have worked well as a team and I appreciate all they have done to make sure those who have the right to vote are able to.

  As always, it is a privilege to work with all the town employees, here at town hall and outside town hall, who continue to serve this special community.

  Sheila M. Anson, CCTC  
  Jim Brinton thanked Sheila and took the opportunity to recognize Sheila as well for her extra time and devotion.

• Resignation of Ted Bent as Zoning Commission alternate: Ted has submitted his resignation from this position. He will continue to serve on the Board of Finance. Motion: To accept, with gratitude, the resignation of Ted Bent as Zoning Commission alternate. By Jim Brinton, seconded by Jay Hubelbank and unanimously approved. Jim has contacted the Democratic Town Committee regarding the vacancy.
First Selectman’s Report: Jim Brinton reported the following:

- **Eversource Update:** Jim has received communication from Eversource that a storm response has been put into place regarding tomorrow’s possible storm.

- **School COVID cases:** There are 6 school campuses in Town. Several COVID cases have been reported but all have been handled well with DPH involvement. The Town in general has 2 reported cases. Both are following protocol with DPH involvement. Jim asked Washington residents to remain diligent and to continue to follow strict safety protocols as numbers are rising in the Nation, State and County.

- **Grants:** Still waiting to hear on receipt of funds from the following grants:
  - $125,000 STEAP Grant for the Transfer Station.
  - $600,000 Community Connectivity Grant for sidewalk improvements.
  - $410,000 State DOT funding for Rabbit Hill bridge.
  - $285,000 Sate DOT funding for Calhoun Street bridge.

- **Land Use Department:** Jim has met with all offices in the Land Use Department. Land Use Coordinator Shelly White is looking into various software programs that would tie the Departments together making the permitting process more streamline.

OLD BUSINESS:

Selectman Jay Hubelbank coordinated this effort. **Motion:** To adopt the most recent Job Descriptions and Policies as written. By Jim Brinton, seconded by Dean Sarjeant. NEW BUSINESS:

- **Gold Course Road:** An inquiry had been made about having Golf Course Road become a Town Road. The Road, currently owned and maintained by the Washington Golf Club, would then become the responsibility of the Town. As there would be no benefit to the Town, the Selectmen did not discuss it further.

Jim Brinton explained that the Assessor’s information is in and will look into how much of Land Use is completed. Jim explained that Lewis Tree, contracted by Eversource, is using the property for staging while completing work in Town.
