

CORONAVIRUS (COVID19) UPDATE 03/20

Dear Washington Residents:

As we head into the weekend, I would like to take this opportunity to thank all of our townspeople. The outreach from the community has been amazing. The Selectman's office has been receiving a steady stream of emails and phone calls from people eager to help. In addition to our program of grocery and medication deliveries, we are formulating efforts to support and bring relief to our local businesses and their employees. I will have more details on these efforts in my Monday update.

As a reminder, I would encourage our seniors to call the Selectman's office and take advantage of the grocery/medication delivery program. To those looking to help, please call the office. Our staff will take your name and contact information for future opportunities to volunteer.

Going forward, the Selectman's office will be staffed on Saturdays from 8:00-12:00. Please feel free to call with any questions or concerns (860)-868-2259.

Thank you to all and stay well.

Jim Brinton
First Selectman
